

Dear ANSE delegates, offices, presidents,
Dear friends,

We finished our 38th board meeting and would like to communicate to you the following:

1. WEB SITE: the structure will be changed a little bit. We are opening the database for all member organizations. As we decided at GA 12 in Timisoara, the authorisation of the articles will be done by the boards of the national organizations. Each article has to have an abstract. The national board can send the articles to info@anse.eu. The articles will be arranged alphabetically by the author's names.

3. PRESIDENTIAL MEETING is approaching. Up till now we have 11 confirmations from presidents. The meeting will take place in Kardinal König Haus, Kardinal König Platz 3, 1130 Wien, www.kardinal-koenig-haus.at. The program will be sent to the office and the delegates. Please be sure, that your president will be informed.
