Main messages

- Let us shift more energy from the national to the European activity level
- Let us better present our European activities to our members at home
- Let us enlarge our EUROCADRES family and fill in the white spots
- Let us improve our diverse spirits, methods ideas and contents in debate
- But let us speak clearly with one voice as a European social partner who cannot be ignored

A handwritten signature in black ink that reads "G. Gerald Musger". The signature is written in a cursive, flowing style.

Gerald Musger
